Hi Jim et all,

Attached are the slides and agenda for today's meeting. Please forward them to any additional DEQ/EPA attendees I might have missed. We will have hard copies at the meeting, and a thumb drive for presenting on the WebEx program.

Gretchen Gee from CH2M and Mike Merchant from Black Helterline were previously planning to call in, but are now available to attend in person, so they will join us at the DEQ office.

I will try to arrive a little early, to help get the WebEx program and conference call set up with your IT folks.

Thanks and see you soon,  
Steph.

OK thanks Jim. We will add him to the agenda. Still working on the presentation slides. Hope to get those out late today or early tomorrow.

Thanks,
